SECTION

123115. (a) The representative of a minor shall not be entitled to inspect or obtain copies of the minor's patient records in either of the following circumstances:

(1) With respect to which the minor has a right of inspection under Section **123110**.

(2) Where the health care provider determines that access to the patient records requested by the representative would have a detrimental effect on the provider's professional relationship with the minor patient or the minor's physical **safety** or psychological well-being. The decision of the health care provider as to whether or not a minor's records are available for inspection or copying under this section shall not attach any liability to the provider, unless the decision is found to be in bad faith.

(b) When a health care provider determines there is a substantial risk of significant adverse or detrimental consequences to a patient in seeing or receiving a copy of mental health records requested by the patient, the provider may decline to permit inspection or provide copies of the records to the patient, subject to the following conditions:

(1) The health care provider shall make a written record, to be included with the mental health records requested, noting the date of the request and explaining the health care provider's reason for refusing to permit inspection or provide copies of the records, including a description of the specific adverse or detrimental consequences to the patient that the provider anticipates would occur if inspection or copying were permitted.

(2) The health care provider shall permit inspection by, or provide copies of the mental health records to, a licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, or licensed clinical social worker, designated by request of the patient. Any marriage and family therapist registered intern, as defined in Chapter 13 (commencing with Section 4980) of Division 2 of the Business and Professions **Code**, may not inspect the patient's mental health records or obtain copies thereof, except pursuant to the direction or supervision of a licensed professional specified in subdivision (g) of Section 4980.03 of the Business and Professions **Code**. Prior to providing copies of mental health records to a marriage and family therapist registered intern, a receipt for those records shall be signed by the supervising licensed professional. The licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, licensed clinical social worker, or marriage and family therapist registered intern to whom the records are provided for inspection or copying shall not permit inspection or copying by the patient.

(3) The health care provider shall inform the patient of the provider's refusal to permit him or her to inspect or obtain copies of the requested records, and inform the patient of the right to require the provider to permit inspection by, or provide copies to, a licensed physician and surgeon, licensed psychologist, licensed marriage and family therapist, or licensed clinical social worker, designated by written authorization of the patient.

(4) The health care provider shall indicate in the mental health

records of the patient whether the request was made under paragraph (2).
